# SUMMER 2019 NEWSLETTER

---

Just over a month ago, we launched Landon Padgett Memorial Fund on the belief that Landon's legacy of service and goodwill could transcend life and have an impact on the lives of young people for years to come. Since that announcement, we've welcomed more than **90 donors** to the LPMF family and have raised just over **\$12,000**. What an incredible way to start the first year of the Fund. And we're just getting started!

## CROSSFIT CHAMBLEE - LANDON BENEFIT FOR LANDON PADGETT MEMORIAL FUND

CrossFit Chamblee was a very special place for Landon. He was both an athlete and coach at CFC. So, we were especially honored and excited to partner with CFC for our very first fundraiser on November 3, 2018. Their 1<sup>st</sup> Annual LANDON fundraiser included a workout of the day, food and drinks and a raffle that included prizes from more than 30 businesses and individuals. Online donations accepted before the event, combined with t-shirt and raffle ticket sales brought in just over \$8,000 - a demonstration of the power of community when we come together for good.

We could not be more grateful to CrossFit Chamblee owner, Steve Walker, and the entire CrossFit Chamblee family who opened their doors, hearts and wallets to make the event such an overwhelming success.

## LANDON PADGETT MEMORIAL SCHOLARSHIPS

Over the next couple of months, our Board of Trustees will be working on the Landon Padgett Memorial Scholarship program application process. We will develop the scholarship criteria along with the application and essay question(s). We expect to have the scholarship application available by early 2019 with scholarship recipients selected and announced in Spring 2019. More information on our progress will be available after the first of the year.

## LANDON'S 33<sup>RD</sup> BIRTHDAY

November 24, 2018 would have been Landon's 33<sup>rd</sup> birthday. What better way to honor him than with a birthday gift to our general scholarship fund in his memory. 100% of your gift in any amount will help fund scholarships in Landon's name.
